Superintendent Board Report
December 17, 2013

- The Attendance report from November is included. Our attendance rate was 97% (Elementary – 96%; Secondary – 97%) (copy enclosed)

- I've enclosed the quote from Ponder Company on the gym floor repair scheduled to begin March 17 (after BB season). We have already received the insurance check for the repair.

- Linda called a company in Denver and was able to arrange to have the check signing machine repaired. We have it back and it is working at present.

- The Senior Class had to change the dates for their trip due to the availability of housing. We will leave on Monday and return on Thursday, rather than Tuesday through Friday. They will present a complete itinerary at the January meeting for final approval.

- I've enclosed some Health Insurance information from CEBT, who carries our health insurance. This is just an FYI regarding the new ACA implementation. It sounds like we are in good shape with our insurance because of their forethought and management.

- My family and I will leave for Texas on December 20th after we dismiss the students and will return sometime around Jan. 1st. Feel free to call my cell if you need to reach me while I'm gone. If I don't' have reception, leave a Voicemail and I will return your call ASAP. We will be in Kerrville, TX with Melissa's mom most of that time, but we will be in Lubbock, TX also with the boys and their families.

Merry Christmas and Happy New Year!

I hope you have a wonderful holiday season.

See you Tuesday night.
