August 1, 2021

Dear Parents;

In order to serve our district more efficiently, a digital voice dialer is being put in place. The notification company will provide our district a way to automatically deliver messages simultaneously to the staff, parents, and students. This company delivers voice messages to telephones as well as emails and text messages seamlessly in a single action. The system will be used for school closings early out and/or late start information, and any emergency message that would need to be sent. We are asking that you let us know how you prefer to be notified and return this paper to the office at your earliest convenience. Please remember that if we do not have your information to put into the system, you will not receive the emergency notifications.

Under new FCC rules, the school must now obtain express written consent for notification calls (including SMS text messages) that are initiated with an auto-dialer or artificial voice/prerecorded messages to mobile phones, or use an artificial voice/prerecorded message to residential phones (the auto dialer limitations do not apply to residential phones).

To satisfy the new rules, people’s express written consent must demonstrate that they received “clear and conspicuous disclosure” that they receive future calls that deliver prerecorded or autodailed messages by or on behalf of the school.

Please choose the option(s) you would prefer for information to be sent.

Information about Applying for Free or Reduced-Price School Meals

Dear Parent/Guardian:

Children need healthy meals to learn. Fleming School offers healthy meals every school day. Breakfast costs $1.50 and lunch costs for K-6 $2.60 and $2.85 for 7-12 grades. Your children may qualify for free or reduced-price school meals. Students in all grades that qualify for free or reduced-price meals will receive breakfast and lunch at no charge.

This packet includes an application for free or reduced-price meal benefits, and a set of detailed instructions. You can also find applications at 506 N. Fremont Ave., Fleming, CO 80728.

Below are common questions and answers to help you with the application process.

1. WHO CAN RECEIVE FREE OR REDUCED-PRICE MEALS?
   a. All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP), the Food Distribution Program on Indian Reservations (FDPIR) or Temporary Assistance for Needy Family (TANF/Colorado Works – Basic Cash Assistance or State Diversion), are eligible for free meals.
   b. Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Foster children may be added as a household member of the foster family if the foster family chooses to apply. Including foster children as household members may help other children qualify for benefits. If the foster family is not eligible, it does not prevent a foster child from receiving benefits.
   c. Children who qualify for their districts Head Start program are eligible for free meals.
   d. Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
   e. Children may receive free or reduced-price meals if your household’s income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced-price meals if your household income falls at or below the limits on this chart.

2. HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY? Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and have not already been notified that your children will receive free meals, please call Fleming School 970-265-2022.

3. DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD? No. Use one Free and Reduced-Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Clarissa Comstock 506 N Fremont Ave., Fleming, CO 80728.

4. SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS? No, but please read the letter you received carefully and follow the instructions. If any children in your household are missing from your eligibility notification, contact Clarissa Comstock 970-265-2022 immediately.

5. CAN I APPLY ONLINE? Yes! You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application.
6. MY CHILD’S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE? Yes. Your child’s application is only valid for that school year and for the first 30 days of this school year. You must send in a new application unless the school notified you that your child is eligible for the new school year.

7. CAN MY CHILDREN RECEIVE FREE MEALS? Children in households participating in WIC may be eligible for free or reduced-price meals. Please send in a completed free and reduced-price school meal application.

8. WILL THE INFORMATION I GIVE BE CHECKED? You may be selected to provide written proof of the household income you report on the application.

9. IF I DON’T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced-price meals if the household income drops below the income limit.

10. WHAT IF I DISAGREE WITH THE SCHOOL’S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: Amber Schlesser 506 N Fremont Ave., Fleming, CO 80728. (970-265-2111)

11. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children or other household members do not have to be U.S. citizens to apply for free or reduced-price meals. Immigration, migrant, citizenship or refugee status is not required to be provided during the application process, and families should continue to apply for free or reduced-price school meals. The application does require the last four numbers of a Social Security number or an indication that there is no Social Security number. Social Security number information is not reported to any organization outside of Frenchman RE-3.

12. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make $1000 each month, but you missed some work last month and only made $900, put down that you made $1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income. The last four digits of the Social Security Number of an adult household member (or an indication of “none”) is required to process a complete income application.

13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so. The last four digits of the Social Security Number of an adult household member (or an indication of “none”) is required to process a complete income application.

14. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.

15. WHAT IF THERE ISN’T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper, and attach it to your application. Contact Clarissa Comstock 970-265-2022 to receive a second application.

16. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for other assistance benefits, contact your local assistance office. Colorado PEAK is an online service to screen and apply for medical, food and cash assistance programs. It can be accessed at http://coloradopeak.force.com/.

If you have other questions or need help, contact Clarissa Comstock 970-265-2022.

Sincerely,

Clarissa Comstock

Determining Official Signature: Approval/Denial Date: Notification Sent:
Dear Parents/Guardians of Student Bus Riders,

OUR #1 GOAL OF EACH DAY IS TO TRANSPORT ALL STUDENT BUS RIDERS SAFELY TO AND FROM SCHOOL.

In order to accomplish this goal, we need the cooperation of the student bus riders. Good student behavior while entering, riding, and leaving the bus contributes in many ways to safe transportation. Such conduct makes it possible for the driver to give full attention to the roadway and other drivers. Please review the following information with your child concerning student conduct on the bus. The primary purpose of rules and procedures on the buses are for the safety of all students. Your child’s cooperation in following all rules and procedures is appreciated by the drivers who are the final authority on their bus. Assigned seating may be practiced at the driver’s discretion. Continued or persistent refusal to submit to the authority of the driver shall be sufficient reason for a pupil to be denied transportation.

We have Unsatisfactory School Bus Behavior Referral procedures in place to inform parents of problems on the school bus. Parents must make sure that school has the correct address where your child will be picked up and delivered. Students will be required to ride the bus to which they have been assigned. For questions concerning buses or drivers, please call Mr. Harms, Transportation Coordinator, or Mrs. Firme, School Principal or, Superintendent Mr. McCracken. All bus notes must be delivered or called in to the Main Office or directly to the bus driver.

STUDENT CONDUCT ON SCHOOL BUSES: School buses shall be considered an extension of the classroom and students are expected to conduct themselves accordingly. Students being transported in school buses shall comply with the Student Code of Conduct. Behavior which is not permitted includes but is not limited to the following: 1. Being disobedient or disrespectful to the driver 2. Standing or moving around on the bus 3. Sticking head or hands out of a window 4. Throwing object(s) out of a window or inside the bus 5. Loud talking 6. Scuffling, fighting or bullying 7. Using obscene and/or unacceptable language 8. Making obscene gestures to other riders or those outside the bus 9. Littering the bus 10. Disturbing others 11. Tampering with or vandalizing the bus and/or equipment 12. Damaging or destroying bus seats. 13. Refusal to wear a mask while entering, riding or leaving bus.

*Please, see the Student Handbook Code of Conduct for Buses.

**CONSEQUENCES**

First Offense: The student will have a conference with the Principal and/or the bus driver and coordinator. Disciplinary action may be taken at that time. The student shall retain bus privileges contingent upon not receiving another bus write-up. The parent/guardian will be notified of the offense.

Second Offense: If the student receives a second bus write-up, he/she loses bus privileges for the remainder of the quarter.

Third Offense: The student will lose bus privileges for one semester.

Fourth Offense: The student will lose bus privileges for the remainder of the school year.

In each instance, the parent shall be notified.
ATTENTION

The following information is taken directly from the student handbook. Please review this information with your students and keep for future reference.

Thank you,
Mrs. Firme

5D. Bus Privileges
The privilege of riding a school bus is based upon a student's good behavior and observance of established rules of conduct at bus stops and on school buses. The bus driver is responsible for student safety on the bus and it is his/her duty to notify the principal if a student persists in violating the rules of conduct. After due warning has been given to students and parents, the principal may withhold the privilege of riding the bus. Students must observe the Code of Conduct (See 5B) while riding the bus.

Student Conduct on Buses
1. Students must be waiting at designated pickup points or must be on their way to such points and visible to the driver when the bus arrives in the morning.
2. If students are late, the driver will honk the horn and wait up to a minute if necessary before proceeding. If students are late frequently, the driver will contact the parents regarding the lateness. If lateness persists, the driver will not wait for the students.
3. Students will remain seated while the bus is in motion.
4. Students may not eat or drink on buses unless special permission is given by the bus driver during unusual circumstances such as long trips.
5. Students will clean up after themselves.
6. Students will be polite and respect other students and adults.
7. Students will keep their body parts to themselves and inside the bus.
8. Students will avoid the use of profanity on the bus.
9. Students will not smoke or chew on the bus.
10. If it is necessary for students to cross the roadway before entering the bus or after exiting the bus, they will walk in front of the bus—never in back of the bus. Students will not cross roadway until the bus has stopped traffic with its flashing lights.
** In the event of initiation and/or participation in a major offense, a student may lose bus privileges for an extended amount of time, to be determined, by administration.

STUDENT USE OF THE INTERNET  
(Acceptable Use Agreement)

STUDENT NAME: ___________________________ GRADE: ___________________________

*(student and parent signatures required on back)

Computer technology is a vital part of education and the curriculum of the school district. In an effort to promote learning and expand educational resources, the district provides Internet access for students and staff.

In order to provide for the appropriate use of the Internet in keeping with Board policy, the following "Acceptable Use Agreement" has been developed. (A copy of this agreement will be distributed to students and parents for signature before a student is issued an Internet account.) In addition, the school district will use a commercial filtering program to limit access to obscene sites, child pornography, or other materials deemed "harmful to minors."

All computers having Internet access must be used in a responsible, efficient, ethical, and legal manner. School computers are not to be used for access to chat rooms, instant messaging, email, or playing games during school hours except in an educational setting approved by the supervising teacher. Use of email is limited to school projects under a teacher’s supervision or, using the community library computers, during off school hours. Use of school computers for "hacking" is strictly prohibited. Students are not allowed to download anything onto the computers either in the labs or in the library. This will include but is not limited to music, programs, and games. Students are not allowed to provide personal identification information, either about themselves or other students, on school or library computers.

In response to the district’s initiative for promoting educational excellence by facilitating innovation, Internet use for the purpose of web logging, or blogging, will allow district students and staff the opportunity to communicate with others on a global level and allow publication of their educational journals and assignments. Access to the Internet, blogging, services and the opportunity to blog is a privilege and not a right for students and staff. With this privilege comes responsibility to use blogging solely for educational purposes, under appropriate circumstances and with appropriate supervision.

The district also advocates the use of Web pages for classrooms, activities, and athletics. Should you not wish to have your name and/or photo published on any school-sponsored site, please inform the school office.

Failure to adhere to this Agreement will result in revocation of access privilege.

1. Acceptable Use: The use of the Internet must be consistent with the educational objectives of the Fleming School District. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to:
   a. Copyrighted material
   b. Threatening or obscene material
   c. Material protected by trade secret

2. Privilege: The use of the Internet is a privilege, not a right: an inappropriate use will result in a cancellation of those privileges. The administrator(s) will decide what is inappropriate use and that decision will be final. The administrator(s) may close an account at any time, as required. The administration, faculty, and staff may request the system administrator to deny, revoke, or suspend specified users.
3. No Warranty: The Fleming District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The district will not be responsible for any damages you suffer in using the Internet. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions. Use of any information obtained via the Internet is at your own risk. The Fleming School District specifically denies any responsibility for the accuracy or quality of information obtained through the Internet.

4. Security: Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Internet, you must notify an administrator. Do not demonstrate the problem to other users. Do not use another individual's account without written permission from that individual. Attempts to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk or as having a history of problems with other computer systems may be denied access to the Internet.

5. Vandalism: Vandalism will result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any agencies or other networks that are connected to the Internet.

6. This includes, but is not limited to, the uploading or creation of computer viruses. Vandalism to the physical equipment, that includes but is not limited to mouse balls or damage to the computers, may also result in cancellation of privileges.

I understand and will abide by the above Agreement. I further understand that a violation of the regulations above is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked and school disciplinary action and/or appropriate legal action may be taken.

Your signature on the Acceptable Use Agreement is legally binding and indicates that the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.

Parent or Guardian

If the user is under 18 years of age, a parent or guardian also must sign this Agreement.

As the parent or guardian of this student, I have read the Acceptable User Agreement. I understand that this access is designed for educational purposes and that the Fleming School District has taken precautions to eliminate harmful material I also recognize, however, that it is impossible for the school district to restrict access to all materials and I will not hold the district responsible for materials acquired on the Internet. Further, I accept full responsibility for supervision if and when my child’s use is not in a school setting. I hereby release the school district from all costs, claims, damages or losses resulting from my child’s use of district computers and computers systems, including use of the Internet and electronic communications, including but to limited to any user fees or charges incurred through the purchase of goods or services.

I hereby give my permission for my student to use the Internet and support this Acceptable Use Agreement and certify that the information contained in this form is true and correct.

Screen Care:
- Only clean the screen with a soft, dry microfiber cloth or anti-static cloth.
- Make sure there is nothing on the keyboard before closing the lid (pens, pencils, or other objects).
- The Chromebook screen can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents, and other liquids. The screens are particularly sensitive to damage from excessive pressure.

Sound:
- Sound must be muted at all times unless permission is obtained from a teacher.

Logging into a Chromebook:
- Students will log into their Chromebooks using their school-issued Google account. The use of non-school Gmail is not permitted on school devices.

- Students must set their Chromebook to automatically require login when turned on.

- The majority of student work will be stored in cloud-based applications and can be accessed from various devices with an Internet connection.
- Students are encouraged to maintain backups of their important work on a portable storage device or by having copies stored in different storage solutions.

Updates:
The Chromebook operating system, Chrome OS, updates itself automatically.

Virus Protection:
There is no need for downloading virus protection.
I agree to the stipulations in the above Chromebook Policy & Usage Agreement, The Acceptable use Policy, and the Student Use of Internet and Electronic Communications Policy. I understand by signing this document that I am responsible for the Chromebook being issued to me.
