Monitoring Board Governance Process and Board-Superintendent Relationship Policies

The purpose of monitoring the Board's *Governance Process and Board-Superintendent Relationship* policies is to determine the degree to which the policies are being fulfilled. Information which does not contribute to this task will not be considered monitoring. While monitoring will be as systematic and automatic as possible, sufficient time and depth of attention will be given to this important Board job.

These policies are monitored through Board self-assessment according to the frequency set forth in each policy.

Adopted: August 2005

Monitoring Method: Board self-assessment
